Wellness

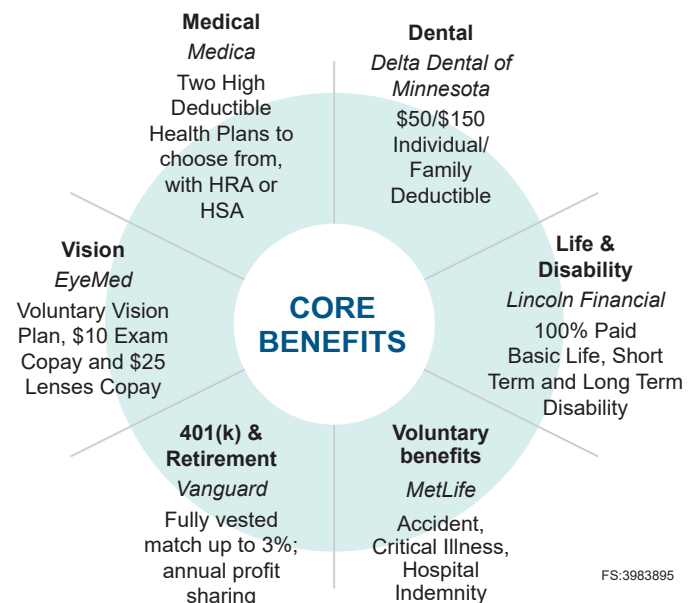

MNGI is committed to promoting the health and well-being of our caregivers and their families. The goal of our healthcare program is not only to make sure you have access to the services you need when you are sick but also to help you live a healthier life.

For caregivers using tobacco products, MNGI is here to support those wanting to quit and is putting programs in place to help you beat the addiction. Tobacco users can complete an approved Tobacco Cessation course to avoid incurring the medical premium surcharge.

MNGI is partnering with Maven, which delivers compassionate, equitable, and high-quality care for women and families. Maven supports members and their partners in preconception, family-building, pregnancy, postpartum, return-to-work, parenting, menopause, and beyond. The innovative platform offers 24/7/365 access to the clinical, emotional, and financial support needed to build families and thrive.

Flexible spending account (FSA)

FSAs are a tax-saving way to pay for eligible healthcare and dependent care expenses that you would typically pay out of pocket. The money you set aside in an FSA is not taxed, so you save money. The Healthcare FSA can be used for qualified medical/dental expenses, and the Dependent care FSA can be used for work-related dependent day care costs. Caregivers can set aside up to annual maximum, which can be found on the www.IRS.gov website.

401(k) and retirement

Caregivers are eligible to begin participating on January 1 following their date of hire. There is automatic enrollment in the plan at a 3% deferral, and MNGI will make a fully vested match up to 3% as soon as you are eligible to contribute.

In addition, MNGI will make annual profit-sharing contributions of approximately 3.4% of eligible compensation for the first three full calendar years of employment. After four years of employment, the annual profit sharing contributions will increase to as much as 7% of eligible compensation and company contributions become 100% vested.

Life insurance

Life insurance is intended to protect your family's financial security in the event of your death. Your Life insurance benefit is paid for entirely by MNGI and is provided through Lincoln Financial. Your coverage is equal to \$50,000. You also have the option to purchase additional Voluntary Life insurance coverage for you or your dependents.

Disability insurance

Short Term and Long Term Disability insurance are provided to you by Lincoln Financial and are paid in full by MNGI. If you're unable to work due to a sickness or injury, disability insurance replaces a portion of your income to help you pay bills, such as your mortgage, tuition, and car payments, or cover expenses like food, clothing, and utilities.

Short Term Disability provides 60% of your basic weekly earnings up to the maximum benefit of \$2,500 per week for up to 11 weeks. Long Term Disability provides 60% of your earnings up to the maximum benefit. The maximum benefit for caregivers earning \$50,000 or less is \$3,000 per month, and the maximum benefit for caregivers earning \$50,000 or more is \$10,000 per month.

Voluntary products

As a caregiver of MNGI, you have the opportunity to apply for personal insurance products to enhance and customize your benefits portfolio to fit your or your family's individual needs. You can purchase Critical Illness insurance, Accident insurance, and Hospital indemnity insurance to supplement your medical coverage.
