Billing

Listed below are the specific billing codes and associated fees for clinic/telehealth visits with a Registered Dietitian. The actual allowed amount (the amount of the billed charge deemed payable by an insurance plan) for each charge and the amount of your out-of-pocket expenses will depend on your particular insurance plan. It is important to check your individual policy and direct any questions to your insurer to determine coverage and your financial responsibility prior to receiving treatment.

Telehealth - An online video or telephone encounter with a secure consultation between a patient and a provider.
